

**IF YOU ARE A POOL OWNER, OR
THINKING ABOUT INSTALLING A POOL,
PLEASE READ THIS:**

ALL pools 24” or deeper require a Building Permit and **MUST BE INSPECTED** by Commonwealth Code.

Please contact Sande Cunningham at <mailto:mwbzoning@gmail.com> to find out what you need to do BEFORE you install your pool. If it's too late for that, call her immediately to get into compliance with the requirements made by the State of Pennsylvania. If you do not make that call, you will be receiving a letter requiring you do to so.

Thank you!
