Receipts for tax payments, made by mail, will be issued only if a self-addressed stamped envelope accompanies the payment. A service fee of \$20.00 may be charged for returned checks and status of that bill will be considered unpaid. Payments by mail will be accepted according to postmark date. Payments cannot be accepted after postmark date Dec 30. Cash is acceptable in person only. **No personal checks after Dec 15.** For liability, I cannot collect taxes in my home.

Borough (3.90 mil) and County (4.52 mil) real estate taxes are levied upon property owners of Mt Wolf Borough based on the assessment value of their property. Real estate tax bills are not sent to mortgage companies by the tax collector. It is the responsibility of the property owner to make a copy, to forward it to their mortgage company and to verify correct payment. The taxing authorities determine the tax rate not the tax collector. **No personal checks after Dec 15. By state law payments these payments cannot be accepted after Dec 31.** They will be turned over for collection on January 2. There is no spring Borough per capita tax.

Borough LST Tax of \$52 is levied upon any individual who will earn \$12,000 or more from all sources including salary, commissions or other compensation from employment in Mt. Wolf Borough during that tax year. This includes all self-employment income. Employers are responsible for collecting tax from their employees on per pay period bases and providing receipts to them. This can be paid on a quarterly basis but by state law the last payment must be sent to the tax collector by January 31 of the next calendar year. If you have questions or need forms for this tax contact the tax collector.
